

## **SIGNAL MOUNTAIN LIONS PROGRAM COMMITTEE**

**Earl Hereford, Chairman**

**Kathy Ringler, Mitchell Johnson, Mac Cauthen, Jim Fields committee members**

- The goal of the Program Committee is to make our meetings informative and enjoyable by providing interesting speakers.
- The Program Committee is responsible for arranging speakers who present a topic of informational, educational, motivational, or entertainment value that will be of general interest to all club members.
- All presentations are to be non-political and non-sectarian. Elected officials may speak to the club when the format is simply to report to constituents on congressional or legislative affairs, but not make a campaign speech.
- Presenters may not solicit a financial or in-kind donation or request purchase of products or services. It is okay for you to talk about your business/organization and its services. It is NOT okay to make a "sales pitch" or directly solicit personal business. The presenter may distribute literature and request donations for non-profit service organization they represent.
- Handouts for club members and guests are welcome.
- Using the Lions platform to dispense individual financial advice is prohibited.
- Speakers are urged to tailor their presentations to fit within the time restraints of the meeting agenda and to allow members to ask pertinent questions.
- Committee member Kathy Ringler enters the contact information into our spreadsheet, writes thank-you emails and sends out all information to the committee members.
- If you have an idea for a speaker, the committee wants to hear from you. We welcome new ideas.
